

REMARKS

A new Figure 1 is attached to this Amendment. The new Figure 1 has been modified by the addition of the term --PRIOR ART-- as requested by the Examiner.

In response to the rejection of the claims under 35 U.S.C.112, second paragraph, the claims have been reviewed and extensive amendments have been made to avoid each of the objections that have been raised by the Examiner and to provide a proper antecedent basis for each term that is set forth in the amended claims.

An early and favorable action is earnestly solicited.

Respectfully submitted,

James V. Costigan
